

WHEN YOU'RE HOT YOU'RE HOT

Torana GTR . . . stablemate of the fabulous XU-1. With the performance, handling and features that make it Australia's best value-for-money sports sedan.

Under the bonnet is where the action is. A big six-cylinder. All 3310 incredible cc's of it. You're really cooking! Plus a list of performance fitments that tailor the car for action.

- ☆ Short throw 4-on-the-floor all-synchro transmission for quick, positive changes.
- ☆ Positive, direct rack and pinion steering with a high degree of road feel.
- ☆ 4-coil suspension with 4-link rear axle mounting for sure-footed handling.
- ☆ Power assisted front disc brakes give you positive straight line stops, time after time.
- ☆ Double-acting shock absorbers and front stabiliser bar tuned to control the suspension under hard cornering conditions.
- ☆ Wide 5.50 JJ x 13 rally wheels with double safety rims and wide B70 red-

band high speed tyres sit fat and firm on the road.

- ☆ Form-fitting buckets with adjustable head restraints hold you firmly so you can concentrate on driving.
- ☆ Full instrumentation . . . lets you keep a constant check on the engine room.
- ☆ You get the security of GM safety features all around you.

And all that's just for starters! For the ultimate, picture yourself behind the wheel of the Australian Motor Sports Champion—the GTR XU-1.

Like the man says . . . when you're hot, you're hot! The temperature's rising at your Holden Dealer now.

WHEN YOU'RE HOT-YOU'RE HOT
